

The DREAM Act is a bipartisan proposal, which would create a pathway to legalization for thousands of young students who were brought to the United States years ago as children. If Congress fails to act this year, another entire class of outstanding, law-abiding high school students will graduate without being able to plan for the future, and some will be removed from their homes to countries they barely know. This tragedy will cause America to lose a vital asset: an educated class of promising immigrant students who have demonstrated a commitment to hard work and a strong desire to be contributing members of our society.

We, the undersigned, ask Congress and the President to enact the DREAM Act.
